

REF. 131127

Supreme Iodized 260g

A rustic, large-format loaf with an incredible flavour, which uses iodised salt, it's highly suitable for certain people, such as children and pregnant and lactating women. Iodine is very important in our diet to prevent diseases such as goitre, besides helping with physical and mental development, since it is an important element in the functioning of the thyroid gland.
