Chicken Kebab Puff Pastry Pie 120g

EXOTIC AND FLAVOURFUL FILLING!

ENRICHED DOUGH. Its light, crispy dough flakes into thin layers when bitten, creating a unique experience with each bite. It's made with margarine and enriched with egg and milk.

AUTHENTIC KEBAB. We make our kebab filling with thin slices of chicken (22%) in Turkish style, seasoned with a variety of spices: turmeric, curry, paprika, nutmeg, black pepper, cinnamon, and herbs. To make it even juicier, we mix it with a lightly spiced yogurt-flavoured sauce (13.5%), which you'll recognise as a distinctive kebab feature.

It comes pre-brushed with egg.
