Croissant Whirl 100g

A softer, lighter version of the classic pastry.

Made with croissant dough, it offers a smooth, airy texture that contrasts beautifully with the crispy, crystallized sugar topping.

Its traditional shape, golden shine, and vanilla aroma with caramel undertones make it an irresistible treat for sweet lovers.

Ready to thaw and bake, this product combines operational efficiency with strong visual appeal in display cases.

Perfect for impulse sales, its versatility allows it to be served as-is or customized with toppings and coatings. Ideal for breakfasts, afternoon snacks, desserts, or shared moments of indulgence.
