## Whole Grain Country Bread with Sourdough 500g

Premium bread made with 100% whole wheat flour and sourdough, including 12% whole wheat sourdough in the recipe. Made with natural ingredients, slow fermentation, and baked on a stone hearth for an authentic result.

In the pH 4.8 range, fermentation is primarily driven by sourdough, ensuring a pH ? 4.8 in compliance with current regulations, while delivering a unique flavor and aroma.
